

## Opportunities @ Mukta

Mukta carries out varied tasks for NGOs. Our work includes

- Creating custom curriculum/training materials
  - Teaching (includes, maths, english, computers, kannada and various other subjects)
  
  - Developing/maintaining websites
  - Assembling/troubleshooting computers. Setting up LANs
  - Recording cassettes for blind children, scanning texts
  
  - Reader service (reading out the text for the blind)
  - Helping NGOs in creating presentations, brochures, etc.
  - Conducting competitions such as quizzes, seminars etc. All work is voluntary. People will neither be paid by Mukta nor by its partners. Currently we need volunteers for the following opportunities:
  - Banaswadi area - Teaching maths, science and english to middle school students and to slum children on weekends- 4-6 volunteers
  - Yelahanka (near Raitara Sante) - Teaching maths, science and english to high school children on weekends - 4 - 6 volunteers
  - Vijayanagar - RPC Layout - Reader service (even on weekdays) - English, Hindi and Kannada - 3-5 volunteers - Praveen CK - praveenck@muktafoundation.org
  - Rajajinagar - Teaching maths, science and english to middle school students and high school students on weekends - 4 volunteers - Lokesh - 9845888067, lokesh@muktafoundation.org
  - Laggere (Tumkur Road) - Teaching maths, science and english to middle school student and high school students on weekends - 4 volunteers - Lokesh - 9845888067, lokesh@muktafoundation.org
- We have many volunteers from Indiranagar, Airport Road and Marathalli. Mukta is looking for association with good NGOs in those areas. Note: Volunteers may always move to different teams and projects depending upon the individual's interests and project requirements
