But if you like to take your vehicle to SKID, here are the additional instructions...

2. Instead of taking a right at the signal, cross the signal at Leela Palace (don't stick to right lane, left lane traffic moves faster). After crossing the signal, stick to right lane.

3. Take a U turn near NAL (Murgesh Palya cross). Now stick to left lane.

4. After crossing IBM golden enclave and before Manipal hospital (now Manipal hospital will be towards your left), there is a small lane to your left. Take left and proceed in that lane for about 250mts. You will see SKID to your right (it has a playground in front of the school building) SKID on Google Map Samarthanam
